PETITIONS OFFICE

Commissioner of Patents and Trademarks
Attn: Office of PetitionsRENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Dear Sir:

In connection with the above identified pending patent application, to date and since the receipt of the return postcard, no filing receipt, no missing parts nor any other official action has been received. Applicant incorporates by reference the contents of the prior petition transmitted to the Office by facsimile on November 15, 2001.

Applicant submits that when a Notice of Missing Parts is received, it is sent to the docketing department, which enters a date on the docket two months from the mailing date of the Notice. The Notice is then forwarded to the responsible attorney and placed in the appropriate chronological order in the file bearing the corresponding attorney docket number in this case. Applicant has searched the file for the Notice the PTO records indicate was mailed November 17, 2000 and it is not present in the file. Applicant has further reviewed the docket for January 17, 2001 for all matters, a copy of report reflecting all Intel matters docketed for January 17, 2001 is attached. No docket entry appears on the report for a Notice of Missing Parts for Attorney Docket No. 42390.P9575. Applicant has also done a search of the docket

database for this matter. That report is also attached. Neither report reflects docketing of the Notice of Missing Parts mailed November 17, 2000. The absence of any record of the Notice of Missing Parts, either in the file jacket or on the docket, demonstrates that the Notice of Missing Parts was not received. This is further evidence by the repeated status inquiries submitted by Applicant without response as set forth in the prior petition.

In view of the foregoing and as further supported by the previous submission, Applicant respectfully requests that the Commissioner withdraw the holding of abandonment and pass the application forward to examination. Commissioner is also authorized to charge any fees necessary fees to our deposit account number 02-2666.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
